Master's Theses

- Currently- Supervising for five master's theses
- 2003-2019 Supervision of over 60 master's theses

Merits in Teaching and Pedagogical and Competence

Test Lessons

Demonstration lecture given for the position of Docent in Health Sciences, University of Oulu, 2013

Practical Experience in Teaching

- National teaching experience:
 - 2007- Doctoral level
 - Nursing and health care ethics
 - Health promotion
 - 2002- Master's degree level
 - Nursing and health care ethics
 - Qualitative methodology, conceptual development, Systematic reviews
 - Philosophy of scientific research in health and nursing research
 - Master's and candidate's theses
 - 2010-2018 Maker/formulator and inspector of an entrance exam in nursing science, University of Eastern Finland
 - 2003-2009 Maker/formulator and inspector of an entrance exam in nursing science (except the year 2005), University of Oulu
 - 2010-2018 Responsible for implementation of 33 Master's courses in Nursing Science and respectively involved in curriculum planning, University of Eastern Finland (See details: Teaching Portfolio)
 - 2002-2009 Responsible for implementation of 38 Master's courses in Nursing Science and respectively involved in curriculum planning, University of Oulu, Department of Nursing Science and Health Administration (See details: Teaching Portfolio)

- International Teaching Experience:
 - 2011- Doctoral level
 - 2005- Master's degree level
 - Topics on both levels:
 - Nursing and health care ethics
 - Health promotion
 - Qualitative methodology
 - Philosophy of scientific research in health and nursing research
 - Systematic reviews

- International Exchange Visits as a Teacher (2005-2019) (n=20 visits)
 - 2018-2021 Visiting Professor, 25% (Nursing Science), Department of Nursing Science, Institute of Family Medicine and Public Health, Faculty of Medicine, University of Tartu, Estonia
 - 2016-2017 3x Exchange Teacher (Nursing Science), University of Tartu, Estonia
 - 2015 Exchange Teacher (Nursing Science), (2x one week) University of Hokkaido, Japan
 - 2015 Exchange Teacher (Nursing Science, KU Leuven, Belgium
 - 2011-2019 x 10 Exchange Teacher (Nursing Science), University of Rome Tor Vergata, Italy
 - 2007 Exchange Teacher (Nursing Science), Aichi University, Japan
 - 2005 Exchange Teacher (Nursing Science), University of Maribor, Slovenia

Teaching Awards

- 2015 The Teacher of the Year 2015, University of Eastern Finland
- 2009 The Teacher of the Year 2009, University of Oulu, Department of Nursing Science and Health Administration
- 2008 The Teacher of the Year 2008, University of Oulu, Department of Nursing Science and Health Administration

Awards, Prizes and Honours

- 2016 Seppo Aro –prize, the best article 2014-2015 in *Sosiaalilääketieteellinen aikakauslehti* [Journal of Social Medicine] for the article Moilanen T, Pietilä A-M, **Kangasniemi M.** Yksilön terveysvalinnat ja vastuu osana itsemääräämisoikeutta. Asiakirja-analyysi sosiaali- ja terveysministeriön informaatio-ohjauksesta [Individual health choices and responsibility – document analysis of guiding documents 2003-2013 of the Ministry of Social Affairs and Health], *Sosiaalilääketieteellinen aikakauslehti* [Journal of Social Medicine], 52, 268-281.
- 2019 *Reviewer of the Month for Nurse Education in Practice* –journal (IF 1,665), award for “outstanding reviewers for the valuable contribution that they have made to the development of academic papers and to scholarship in nursing education by returning a constructive, considered and thorough review of a paper that has provided a solid foundation upon which an author has been able to revise their manuscript or take a review forward to strengthen their onward writing skills.”

Other Academic Merits

Editorials

- 2017- Editor-in-Chief, Tutkiva Hoitotyö [Nursing Evidence], Scientific Peer-reviewed journal

Chairmanships

- 2004-2009 Chairman at Equality Committee, University of Oulu, Faculty of Medicine

Board Memberships

- 2019-2022 Board Member, Research Ethics Committee, University of Turku, Finland
- 2018 Board Member, Research Ethics Committee, University of Eastern Finland, Finland
- 2018 Responsible Member, Wellbeing Committee at the Department, University of Eastern Finland
- 2015-2016 Editorial Board Member, Tutkiva Hoitotyö [Nursing Evidence] –journal
- 2015-2016 Board Member, Hoitotieteiden tutkimusseura ry [The Finnish Association of Nursing Research]
- 2015-2018 Deputy member, Board of the Doctoral Program of Health Sciences, University of Eastern Finland
- 2013- Board Member, Equality Opportunities Committee by the University of Eastern Finland
- 2010-2012 Board Member, Care Ethics Committee, Kuopio University Hospital
- 2009 Board Member, Research Ethics Committee, Oulu University Hospital

Referee in Finnish Scientific Journals (n=24):

2009-	Tutkiva Hoitotyö [Nursing Evidence] (n=7)
2012-	Hoitotiede [Nursing Science] (n=10)
2015-	Sosiaalilääketieteellinen aikakauslehti [Journal of Social Medicine] (n=4)
2017-	Yhteiskuntapolitiikka (n=2)
2017	Thanatos (n=1)

Referee in Scientific Committees in Conferences

2014	Member of Scientific Committee, 3 rd European Conference on Mental Health, Estonia
2008->	Member of Scientific Committee in Finnish Nursing Science Conferences, Years 2008, 2010, 2012, 2014, 2016
2005	Member of Evaluation Committee of Poster Presentations, Science Day, University of Oulu, Faculty of Medicine

Referee in Scientific Text Books

2019	Referee for a monograph, Gaudeamus
------	------------------------------------

12. Scientific and Societal Impact of Research

Scientific Work

Total 83 Papers in the Scientific Peer-reviewed Publications

- 64 International Peer-reviewed Scientific Papers
- 19 Domestic Peer-reviewed Scientific Papers

Total 25 textbooks and chapters in text-books

- 5 International textbooks and chapters in text-books
- 20 Domestic textbooks and chapters in text-books

Total 41 Scientific Conference Abstracts (29 international, 12 domestic)

Nominations on International Selected Readers

2015	Two of scientific papers have been re-published in the Nursing Ethics Reader (2015) (SAGE): Kangasniemi M , Viitalähde K, Porkka S. A theoretical examination of the rights of nurses. <i>Nursing Ethics</i> 2010 ; 17(5): 628-635. Kangasniemi M , Halkoaho A, Länsimies-Antikainen H, Pietilä A-M. Duties of the patient: a tentative model based on metasynthesis. <i>Nursing Ethics</i> 2012 ; (19)1: 58-67.
------	--

13. Positions of Trust in Society and Other Societal Merits

Chairman positions

2013-	Chairman at Ethical Committee by Tehy [The Union of Health and Social Care Professionals in Finland]
2013-	Chairman at Collegiality Committee by Finnish Nurses Association
2003-2004	Coordinator at volunteer working group Naisten Linja [Womens' Line] (Oulu), Finland

Board Memberships

2016	Member of Future Robotics Workshop by Ministry of Transport and Communications, Finland
2005-2012	Member of Ethical Committee by Tehy [The Union of Health and Social Care Professionals in Finland]

Invited Oral Presentations Based on Academic Competence

2003-2019 Over 160 invited Expert lessons, topics as follows

Ethics in Nursing and Health Care

Health Choices and Health Promotion

Current Issues of Nursing Science

Change of Nurses' Work

Robotics in Nursing and Health Care

Inviters: Associations, Communes, Cities and Institutions in Finland

14. Other Merits

- Supporting professional work in society by publishing dozens of articles (n=61) in trade journals as well as chapters in text books.
- During 2004-2019 several (n=27) interviews in national and international journals, media and newspapers.
